Six Steps To Apply & Required Documents

Step 1
You have to apply at your home university which has to nominate you as an exchange student at our university.

Step 2
The International Office of DHBW will contact you and send you an application form as well as further information about your studies at our university.

Step 3
Consult your academic advisor and select the relevant subjects for your semester abroad at DHBW Karlsruhe.

Step 4
Complete the application form.

Step 5
Submit all required documents including the application form to the International Office of DHBW Karlsruhe.

Step 6
DHBW Karlsruhe will check your application and will confirm your selection or clarify questions.

“The appeal of studying at the DHBW lies in the combination of scientific education and direct implementation into practice.”

Thomas Hegg, student of International Business, February 2011, DHBW Karlsruhe (Internationalisation Office of Karlsruhe).
Karlsruhe • an attractive city

Karlsruhe was founded in 1715 as a carefully planned compro- mised city whose streets radiate like the ribs of a fan. Kar-lsruhe Technology Region is a world-renowned center of high- tech industry and innovation. With 210,000 students, Karlsruhe is a diverse city providing an international environment. And not to forget: Karlsruhe has a reputation as Germany’s second warmest city. It is a green city with a wide variety of public parks and gardens so there is always a pleasant spot to read.

www.karlsruhe.de

Technology region Karlsruhe

The Technology Region Karlsruhe stands out due to a mixture of global players, medium-sized and small-sized companies as well as startups. Well-known names are mentioned for example Michael, Lohr, Schülke and Siemens.

University life and leisure time in Karlsruhe

In Karlsruhe students find a lot of opportunities to enjoy their student life and leisure activities. Together with the eight universi- ties and the four technical colleges in Karlsruhe, there are more than 100 other universities and specialized colleges in the region. There is a wide range of cultural institutions and a lot of bars, clubs and restaurants where students can spend their evening during the weekend.

Things to see and places to go

Karlsruhe is located in the middle of Europe. Switzerland, the Alps, Paris and Munich can be reached in about three hours and Frankfurt Airport is only one hour away by Intercity train. Even closer are the wonderful places Heidelberg, Baden-Baden, Freiburg, the Black Forest and the capital of Baden-Wuerttemberg, Stuttgart.

Other costs

DMH has no tuition fees. Exchange students only have to pay around 45 euros per semester for an administrative fee which allows them to use the subsidised facilities (libraries, cafeteria etc.). Students should expect living expenses in Germany to be between 500 and 800 euros per month including accommodation. Exchange students can use public transportation in Karlsruhe for one semester free of charge.

Health insurance

Students from abroad must ensure that they have adequate health coverage. Those from EU countries must contact for health insurance from a German company on their own. The German backpacker office will provide a semiannual (60 euros per month)
