

Computer Sciences: winter semester
Orientation days: September
Intensive German Course (A1, mandatory) (online)
Lecture Period: September– December

International Interdisciplinary Study Program (from October)		
Code	Subject	ECTS
IO1	German intensive course	6
IO2	German course <i>(during the semester)</i>	3
IO3	Intercultural and Soft Skills	4

Business Information Systems (Regular Study Program) (from September)		
Code	Subject	ECTS
WWI1	Case Study System Analysis	3
WWI2	Data Bases	3
WWI3	Web Programming	3
WWI4	Statistics	3
WWI5	Introduction to Theoretical Computer Sciences	3
WWI6	Core Concepts of Software Engineering	3

Information Technology (Regular Study Program) (from October)		
Code	Subject	ECTS
MOS1	Design Thinking	3
TINF24B1	Supervised Machine Learning	3
TINFIOB1	Data Warehousing	2
TINF24B2	Fundamentals of Cyber Security	3
TINFIOB2	Data Science with Python	2
TINF24B3	Linux Basics for Hackers	3

Additional options		
Code	Subject	ECTS
TINF24SA	Seminar paper (40-50 pages): Topic will be individually discussed	5
