Student Voices

"Traveling to Germany was a surreal experience I will not forget. There is something about studying abroad that brings a new and exciting element to learning. The places I visited in Germany were beautiful and the people I met there were just amazing. I can truly say I am glad my first trip out of the country was to Germany."

• **Ruby Ortega , USA**

"Too many unforgettable and amazing experiences, way too great for a student exchange program!" Would definitely visit again!"

• **Nicole Goh, Malaysia**

Karlsruhe and DHBW

DHBW Karlsruhe is an institution of higher education which offers dual education programs focused on practical experience in cooperation with industry and non-profit institutions.

A student enrolled at DHBW is both a student and a trainee. Academic studies alternate with periods of on-the-job training of equal duration. Students can enjoy financial independence, excellent employment opportunities and also high quality education at DHBW.

Karlsruhe is the second largest city in Baden-Württemberg, located in the southwest of Germany, near the French-German border. Karlsruhe is a famous research and study center with 9 institutions of higher education and a high number of global player companies.
